FAQ

Good to know.

Do I need my own racket?

Not at all. We loan rackets free for trials and clinics, and the pro shop stocks everything from starter to tournament grade.

Can I freeze or cancel my membership?

Monthly plans can be cancelled anytime. Annual plans can be frozen for up to 2 months per year at no charge.

How do family memberships work?

The Family annual covers up to 4 people for \$1000. On monthly, it's \$50 for the first member plus \$30/month for each additional family member.

Is there a beginner-friendly option?

Yes — our Foundations program is built for total beginners, and coaches place every junior by age and level.
